Electronic Filing

Electronic filing is an alternative for all candidate committees and a requirement for some candidate committees. The Campaign Finance Office of the State Board of Elections has spent the past several years re-designing and upgrading the electronic filing software in an effort to provide committees with improved campaign finance management and disclosure tools. The FREE software includes an audit feature that will identify possible violations and discrepancies before the report is filed. In addition, the software tracks all contributors entered into the system and reports only those contributors required by law to be reported. Software training is available at the State Board of Elections office in Raleigh. Regional trainings will also be offered beginning in 2010. Dates and locations will be posted on our website at www.sboe.state.nc.us.

Candidates for statewide office that show a cumulative total for the election cycle in excess of five thousand dollars (\$5,000) in contributions, in expenditures, or in loans must file electronically with the Campaign Finance Office of the State Board of Elections. In addition, a candidate committee that makes contributions in excess of five thousand dollars (\$5,000) to candidates for statewide office or makes independent expenditures in excess of five thousand dollars (\$5,000) that affect contests for statewide office must also file electronically. Candidate
